DISTINGUISHED FLYING CROSS

FLYING OFFICER DANIEL JOHN CULLEN (421172)

CITATION:

Flying Officer CULLEN's work has always been of a very high standard. His courage and skill as a pilot have ensured success of many operational sorties.

In April, 1944, he took part in an attack on Fredrickshafen. While on the outward flight, the aircraft was damaged by heavy anti-aircraft fire and one engine rendered unserviceable. The mid-upper turret was put out of action and the petrol tanks holed. Despite these serious handicaps and although still 100 miles short of the target, he pressed on in most adverse circumstances and completed the mission successfully.
