Art. 2546

Sir

I put in an application of which the enclosed is a copy at the Custom House Sydney on the 26th inst.; I was informed at first that I would require seven of the applications with design attached, but upon going the second time to register, I saw a different clerk, or rather my wife did, & was informed that only one would be required. I would be obliged if you would inform me if the application for registration is in order, so that it can be dealt with without any unnecessary delay, or shall I forward the seven representations with five unaffixed?

Yours faithfully
A. W. Robinson
