Mrs. A.M. Clarke,

PRESTON, VIC.

Dear Madam,

I regret very much that, notwithstanding the efforts of our Graves Services Unit, we have so far been unable to obtain any trace of the last resting place of

your husband the late No. 2830

Corporal T.G. Clarke,

60th Battalion,

and, so that no possible source of information shall be overlooked, I shall be much obliged if you will let me have on loan any letters or communications that contain any reference to the circumstances surrounding his death, particularly the exact locality at which it occurred, or where he was last seen alive. Of course any information you may have received as to his burial would be of the greatest assistance. The reason these steps are being taken is to identify, if at all possible, those bodies that are being recovered but which have nothing on them to definitely establish identification, and thus obviate the necessity of interring them in the new Military Cemeteries under the heading "An Unknown Australian Soldier."

Only those portions of any letters having a direct bearing or reference to the above need be forwarded. They will be carefully preserved and returned without delay.

If you have nothing that will help, would you kindly let us know, so that we can advise the overseas authorities.

Thanking you in anticipation,

Yours faithfully,
