CEMETERY REGISTERS.

The Register recording the names and particulars of those members of the British Expeditionary Forces who died in His Majesty's service during the Great War and are buried in the Cemetery shown overleaf has been prepared for publication. It will be the final official record of the War Graves in this Cemetery and copies will be deposited in all the Statutory Libraries of the British Empire for permanent custody.

The Registers contain a full description of the Cemeteries, their history, and directions for reaching them.

1796 P2374/2739 30,000 11/30 615 FA

The names, ranks and other particulars of the Dead have been compiled from information furnished by the Naval and Military Record Offices and the next-of-kin. A proof slip of the entry in which you are interested is attached to the form facing this page in order that you may verify the correctness of the particulars it contains; corrections which may be already shown in pencil on the left hand side of it will be included in the Register. The letters and figures shown at the end of the entry indicate the Plot, Row and Grave.

The number shown on the right hand side is the reference to the entry and will not be included. IF ANY ALTERATION TO THE PARTICULARS SHOULD BE NECESSARY WILL YOU BE SO GOOD AS TO INFORM THIS OFFICE WITHIN 10 DAYS FROM THE DATE SHOWN ABOVE. After this period has elapsed the final proofs will be passed to the printer for correction and for printing the number of copies required.

The Registers are compiled for official use, but it has been found that many of the relatives and friends of the fallen wish to possess a copy (or copies) of the Register in which they have a special interest, and copies are sold to them at cost price. The additional number to be printed will depend upon the demand resulting from this circular, and very few copies will be reserved to meet future calls; it would therefore be appreciated if you would kindly inform any of those connected with the late soldier, whose name appears on the slip proof, who are likely to require copies, so that a sufficient number may be ordered from the printers. If you desire to purchase this Register will you kindly complete and detach the form opposite and forward it WITHIN 10 DAYS with a remittance of three shillings for each copy you require. These copies will then be forwarded to you POST FREE on publication. An acknowledgment of your remittance will be sent within fourteen days of its receipt.
