15. To what degree is the officer disabled at the present time?
(Degrees of disablement should be expressed in the following percentages—100, 80, 70, 60, 50, 40, 30, 20 under 20, or mil.)
16. Is the disability permanent?
17. If not permanent, how soon is re-examination recommended?months.
18. Is it necessary that the officer should be re-examined by the same Board?
19. What treatment is the officer receiving, and where, and from whom?
20. Is the officer in need of special medical treatment of any kind, and, if so, of what nature?
21. Does the officer require the constant attendance of another person?
22 Officers will be classified by the Medical Board under one of the following categories, the probable
period of unfitness for the higher categories being stated. Explanation of these categories is in para. 5 of A.C.I. 158/1918. In case of nurses, omit B. and (ii) of E.
A.—Fit for general service— ho 2 huly
B.—Fit for service in a garrison or labour unit abroad
C.—Fit for home service :—
(i) Active duty with troops
(ii) Sedentary employment only
D.—For admission to a command depot
E.—Requiring indoor hospital treatment :—
(i) In an officers' military or auxiliary convalescent hospital
(ii) In an officers' hospital
F.—Permanently unfit for any further military service
23. In the case of officers suffering from neurasthenia found permanently unfit, has A.C.I. 807 of 1918 been complied with?

### Entries will be made here when an invalid is brought before a Medical Board and deferred for treatment. Date and Station Date and Station Result ... Result Signatures ..... Signatures OPINION OF MEDICAL BOARD ON FINALIZATION. Nors.—Clear and definite answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Deputy Commissioner of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim for pension, and the Deputy Comptroller of Repatriation, of information to enable him to decide questions of assistance and vocational training. 21. State whether the disability is clearly (a) Due to Military Service, (b) Aggravated by Military Service, (c) Independent of Military Service; (d) Due to, or aggravated by, want of proper care on man's part, intemperance, misconduct, &c. - Carlo 22. Is the present degree of disability permanent? 23. If not, at what rate and to what degree do you anticipate improvement?. 24. To what extent is his working capacity at present affected by his disability? (a) In his pre-enlistment trade or occupation? (b) In the general labour market? (Estimate as a percentage of full capacity) 25. If an operation was advised and declined, was the refusal unreasonable? 26. Do the Board recommend discharge as permanently unfit for General Service? 27. If discharge is recommended, it should be stated whether further treatment is desirable in a (a) Sanatorium, (b) Orthopædic Institution, (c) Convalescent Home, (d) Asylum, or (e) other institution. State whether further treatment should be an in-patient or an out-patient, and for what period 28. Is any surgical appliance recommended?. 29. Is the man fit for work or for vocational training? If not, state reasons for recommendation for discharge from A.I.F. Station Signatures President. Date Members. CONFIRMED. Station Director General Medical Services.

This form will be used for the finalization of all invalids in Australia, and will embody (Question 11) all information contained on the papers of invalids returned from overseas. Question 13 will include in its Answer a detailed careful account of the medical condition of the patient on finalization. On completion of the Board, it will be forwarded to the P.M.O. by hand, for confirmation, thence to the S.O.I. and B.S., who will make necessary copies.

This report is confidential.

Single copies only need be forwarded to Head-Quarters.

For discharge of members of services other than the permanent forces the District P.M.O. may approve for the D.G.M.S.
