DEPARTMENT OF AIR,
MELBOURNE, S.C.1.

31st March, 1947.

Dear Sir,

The Royal Australian Air Force has vacancies for ex-airmen in the mustering of Wireless Operator Mechanic, Wireless Maintenance Mechanic, Radar Mechanics "A" and "C", Telegraphist, Radar Operator, Cypher Assistant, Teleprinter Operator, Clerk Signals, Radio Telephone Operator and Telephone Operator, and, in view of your previous service with the Royal Australian Air Force during the war years, it is felt that you may wish to reconsider volunteering for a further period of service during the Interim period.

The term of service is such, that, at present, it is only possible to enlist applicants for a two year period. However, those airmen serving during the Interim period will be given first preference for a longer term engagement in the Permanent Air Force, and your previous service with the Royal Australian Air Force will be a factor in your favour should you desire to accept a long term engagement at a later date.

In regard to the conditions of service, the rates of pay, allowances and financial benefits, and the existing orders relating to leave, promotions and remustering, etc, will continue, pending determination of the conditions of service for the Permanent Air Force.

As you may be aware, the highest rank which can be granted to an ex-member on re-enlistment is Leading Aircraftman provided he held that or higher rank immediately prior to discharge. In all other cases, the rank on enlistment is Aircraftman, Class 1. However, as there are a number of N.C.O. vacancies, opportunities exist for promotion or the grant of paid acting rank whilst occupying an N.C.O. post.

Should you desire to consider further service with the Royal Australian Air Force in your former mustering, or, in other radio musterings (subject to Trade Test), please complete and return to the Officer in Charge of Records, Albert Park Barracks, Melbourne, S.C.3, the enclosed Form P/P.48.

Yours faithfully,

Mr. L. Holland,
139 Bank Street,
ALBERT PARK. VIC.
